

Largs Academy Newsletter

NOVEMBER 2023

Welcome to our new monthly newsletter where we will share a small selection of the great things that are happening at Largs Academy...

Fundraising Friday

Last month's Mary's Meals Fundraising Friday and Staff and S6 Pupil 5km raised an outstanding total of £4785. Thank you to everyone in our school community for supporting our efforts and - in particular - to Mr Atkinson in Geography who organised the day. The wet weather didn't deter us on our run along Largs promenade and even encouraged some brave S6 pupils into the sea to cool down at the end.

First Aid Training

Throughout October, all of our S4 pupils have been working with Enhance Training to gain their Level 6 qualification in First Aid. This initiative - supported in funding by our Parent Council - has been implemented to make our community safer by providing our young people with essential emergency first aid skills.

Largs Skills Academy

Last week, we officially launched the Largs Skills Academy in partnership with DYW Ayrshire. Our Skills Academy is designed to develop employability and life skills. Pupils also gain a series of qualifications through participation in one of our five in-school businesses (pictured below). We thank DYW Ayrshire for their support and were delighted to showcase our work with the Provost, Lord Lieutenant and Elected Members for our local area at the ribbon cutting.

Well done to all of our S1 and S6 pupils
for getting into the Halloween "spirit"...
